

COVID-19 Vaccine Clinic

UPMC Children's Hospital of Pittsburgh is proudly partnering with Washington School District to vaccinate students, staff, and community members against COVID-19 with the Pfizer, Moderna and J&J vaccine.

WHEN

December 15th, 4-6pm

To schedule an appointment please visit:

<https://forms.office.com/r/WqnxCjBmPb>

and select "Washington". Students under age 18 will need a permission slip completed by a parent or guardian, which will be sent out by the Washington School District.

WHERE

Washington High School

201 Allison Ave, Washington, PA 15301

WHO

For those students, staff, and community members in the Washington School District ages **5+**.
